

Prestige XL3

DTF Printer

Designed for the most **vibrant, color-accurate prints** in a high demand environment.

Unleash True Color

23.62"

Print width

9

Ink channels

3

Printheads

9 colors, not 4.

CMYK plus white plus Light Cyan, Light Magenta, Green and Orange for maximum vibrancy.

Triple Epson i3200 printheads.

3 heads run 65 to 75 sq. ft. per hour at a 23.62" (60 cm) printing width.

White ink that stays ready.

WIMS prevents clogs and keeps white flowing through long, color-heavy production days.

Head strike and tension sensors.

Printhead protection plus smooth material handling on roll media.

Active and passive auto-cleaning.

Cleaning runs on schedule and mid job, so a high demand floor keeps moving.

Support and warranty

- **Lifetime** DTF Station tech support
- **1-year limited warranty** on non-consumable parts
- **6-month warranty** on up to 2 printheads, with onsite training and installation
- **neoStampa RIP** and DTF Station Pilot driver included

Dealer Locator

3 Printheads, 9 Colors.

Color accuracy at volume.

The XL3 pairs an expanded 9 color gamut with 3 Epson i3200 printheads. That combination is aimed squarely at shops where color has to be right and the queue never empties, rather than at shops chasing raw square footage.

3 heads at 60 cm.

3 printheads run 65 to 75 sq. ft. per hour across a 23.62" (60 cm) width. Where the XL2 Pro gives you the gamut, the XL3 gives you the gamut and the throughput.

Built for a demanding floor.

WIMS white circulation, active and passive auto-cleaning, a head strike sensor and a media tension sensor all come standard, because unplanned downtime is the real cost at this level.

Install & Facility

Dimensions (W x D x H)	85" x 44" x 65"
Machine Weight	445 lb (202 kg)
Power Supply	110 V
Rated Current	9 A
Power Consumption	1,000 W
